

PROGRAM

Saturday 9 th June	
Time	Activity
Morning	Pick up from Grosseto train station and Fiumicino airport to CRASE
1pm-3pm	Accommodation and lunch
3pm-4:30pm	School introduction and visit to CRASE
4:30pm-7pm	Primate origins and diversification in the Cenozoic (Rene Bobe)
7:30pm	Welcome dinner

Sunday 10 th June	
Time	Activity
9am-11am	Cohesion and cooperation among diverse primates groups (Elisabetta Palagi)
11am-11:30am	Break
11:30am-12:30am	Collective discussion
12:30am-2pm	Lunch
2pm-4pm	From me to you: emotional contagion in primates and other social mammals (Elisabetta Palagi)
4pm-4:30pm	Break
4:30pm-6pm	Collective discussion
7:30pm	Dinner

Monday 11 th June	
Time	Activity
9am-11am	Modelling behavioural evolution by studying wild extant primates (Susana Carvalho)
11am-11:30am	Break
11:30am-12:30am	Collective discussion
12:30am-2pm	Lunch
2pm-4pm	Tool use in primates (Elisabetta Visalberghi)
4pm-4:30pm	Break
4:30pm-6pm	Collective discussion
7:30pm	Dinner

Tuesday 12 th June	
Time	Activity
9am-11am	Primates diversity and conservation (Spartaco Gippoliti)
11am-11:30am	Break
11:30am-12:30am	Collective discussion
12:30am-2pm	Lunch
2pm-4pm	Primate Ecology and Conservation (Giuseppe Donati)
4pm-4:30pm	Break
4:30pm-6pm	Collective discussion
7:30pm	Dinner
9pm-10:30pm	Primates like us. A guide to great primates in Italy (Daniela De Donno and Elettra D'Amico)

Wednesday 13 th June	
Time	Activity
9am-11am	The study of primate ecology: some methodological techniques (Giuseppe Donati)
11am-11:30am	Break
11:30am-12:30am	Collective discussion
12:30am-2pm	Lunch
2pm-4pm	Abnormal behaviour and resocialisation in rescued primates (Godelieve Kranendonk)
4pm-4:30 pm	Break
4:30pm-6:30pm	Enrichment for rescued primates, and a second part on Animal training principles (Godelieve Kranendonk)
6:30pm-7:30	Collective Discussion
8pm	Dinner

Thursday 14 th June	
Time	Activity
9am-11am	Scientific, ethical and normative aspects of animal experimentation (Augusto Vitale)
11am-11:30am	Break
11:30am-13:30am	The special case of non-human primates in animal experimentation (Augusto Vitale)
13:30am-2:30pm	Lunch
2:30pm-4:30pm	Primates cognition (Federica Amici)
4:30pm-5pm	Break
5pm-6:30pm	Collective discussion
7:00pm	Dinner

Friday 15 th June	
Time	Activity
9am-10:30am	Cognitive experiments design (Federica Amici)
10:30am-11:00am	Break
11am-12am	Collective discussion
12am-2pm	Lunch
2pm-4pm	In situ conservation of great apes: the WWF experience (Carol Sinisi and Silvia Miglietta)
4pm-4:30pm	Break
4:30pm-6:30pm	Final exam
7:30pm	Dinner

Saturday 16 th June	
Time	Activity
9am-2pm	Visit to Bosco Rocconi Nature Reserve (WWF guides)
2pm-3am	Lunch
3pm-4pm	Certificates awarding and final greetings
4pm	Pick up to Grosseto train station
